

The MINUTES OF THE REGULAR MEETING OF THE MRAC HELD ON APRIL 23rd, 1942.

Pres. Kircher called the meeting to order at 8:15 PM.

Club Member John Sprattler presented several very interesting reels of motion pictures showing the part the Telephane Company is playing in aiding the Armed forces of our nation. Other reels took us through the plants and stations showing the manufacture and assembly of prison telephone equipment as well as experimental work such as the adaptation of co-axial cable buried under ground in lieu of the common overhead wires.

The Secy. then read the minutes of the previous meeting which were approved as read.

Roll was called and 34 men were present of whom 25 were members.

Pres. Kircher announced that Joe Collins would be unable to follow through as Picnic Chairman.

Due to the few in attendance and the lateness of the hour the Club Raffle was not held and the meeting was declared adjourned at 9:50PM.

Respectfully submitted,

*Reid H. Burrows*
